I want to send you a TREMENDOUS thank you for the kind, supportive words—and all the time you took for me. Family was against us, and we had many struggles and ups and downs through our homeschool journey, but I never lost faith in my son...and he's done so very well. THANK YOU for all you do.

HEAV helps me know I am not alone in this journey. It is comforting to hear that other parents share the same struggles.
