The High School Mentoring program gave me the confidence and tools to enter high school homeschooling without hesitation. Each speaker was encouraging and knowledgeable...Even if I don't know what to do, I now know where to go to find support and resources when needs arise. ~ *Jessica, high school mom*

Thank you again for the amazing weekend at LeaderLife...We were stunned at how spoiled we felt, how friendly everyone was, and how nice it was. That kind of attention to detail in every aspect of the conference is special. ~ *Tara, homeschool leader*

What is our mission?

HEAV's mission is to equip and encourage parents and PROTECT HOMESCHOOLING FREEDOMS.

We are SO blessed to live in Virginia and have HEAV! Many times I welled up with tears, thinking of the rewards we reap from decades of labor. There is far more going on behind the scenes than we realize. HEAV is a tremendous blessing, and we do not take it for granted. ~ *Arielle, convention attendee*

We recently learned we are moving to Virginia. I checked out your website – amazing. Thanks for all the great information. You've answered all my legal questions. I appreciate your passion for homeschooling! ~ *Carra, new Virginia homeschooler*

“My wife was one of the original signers of the HEAV petition all those years ago. We homeschooled our kids through high school, and we’re so grateful our grandchildren are being homeschooled now! My wife and I attend the convention every year to encourage others who might be struggling. Even at age 70, we come every year, just to assure them that it can be done! ~ *Bob, retired homeschool dad*”

“I’ve felt alone this year dealing with teens with trauma and mental health. I was very impressed with the convention workshop and the discussion on caregiver fatigue. I was almost in tears as she described the same sleepless nights I’ve had ... I left feeling less alone. Thank you! ~ *convention attendee*”

“Your social posts on reading aloud are always such an encouraging reminder! When I feel like all else is failing in my homeschool journey, I can honestly look back and say we rarely miss a night. We still read to them at ages 10 & 12. Thank you for all you do! ~ *Kendra, Facebook member*”

What is our vision?

HEAV’s vision is to shape the future by EMPOWERING PARENTS to direct the education of their children.
