

SAVE-TIME WAIVER

Purpose

With this waiver, you only have to wait in line for the next available drop-off clerk who will ask you to sign the waiver and your master sheet, both of which you must bring with you. The clerk will verify that your barcodes are readable and receive your items to sell. You are then free to go!

Waiver

I, the undersigned, signify that I am choosing to drop off my items to be sold in the Used Curriculum Sale without waiting to have each item officially verified as to presence and/or accuracy.

As a result, I will not hold HEAV or the Used Curriculum Sale responsible for any of my items.
